**Silver packages** receive a banner ad on the clubs website (and email mailouts) and a 1/3 page advertising space in the clubs newsletter. Silver sponsors receive signage inside the clubrooms and a free invitation to the club's Black Tie Presentation Night.

**Gold packages** receive a banner ad on the clubs website on higher rotation than silver sponsors and a full page advertising space in the newsletter with the opportunity to advertise specific products through this medium, plus their logo or name on official club letterheads. Gold sponsors receive signage inside the clubrooms and also on the western fence of our primary playing field. Gold sponsors receive a free invitation to all club events, including the club's Black Tie Presentation Night.

**Platinum packages** get all the features of a Gold Package, but also have the option to display a number of advertisements on the website with the highest level of rotation.
