

[ETPLC BBQ]

On Sunday the 20th of February, the East Torrens Payneham Lacrosse Club will be holding a free BBQ lunch for all of its members and families at the Morialta Conservation Park. A BBQ will be provided by the club, but you will want to bring along you own deck chairs, drinks, and any extras you would like for lunch. The senior men and women will be meeting at 10am for a light session, so brings your sticks and runners.

It would be appreciated that if any of the Women players still have a club top from last season, that they could bring it out to the BBQ, so they can be checked out and freshened up for season 2005.

Where: Morialta Recreation Area (carpark adjacent to Stradbroke road)
When: 11am, Sunday 20th February
What: Free BBQ Lunch. Bring drinks, chairs, lacrosse sticks.

[POSITION VACANT]

Club Treasurer:

The East Torrens Payneham Lacrosse Club is in desperate need to find a Treasurer for season 2005. The club has been without a permanent treasurer for over 4 months now, and will find it very difficult to continue effectively without this position being filled as soon as possible. The Treasurer's position is a very important role within the club, and is especially needed in order to be able to apply for sporting grants from the local and state governments. We ask that all interested individuals speak to a committee member about taking up this position.

[The Kent Town Hotel]

The East Torrens Payneham Lacrosse Club is pleased to announce a new sponsor for 2005, the Kent Town Hotel. The Kent Town is assisting us with the purchase of our new uniforms, along with providing Meal and Drink Vouchers to the club, plus use of their function rooms throughout the year. The Kent Town Hotel is only 5 minutes down the road from the club, and even less from the city, and will become our home base for a number of away games.

[2005 Uniforms]

Over the summer the committee has been working on new men's uniform designs for the League and A Reserves. The uniforms are very close to going into production and will be presented at the Guernsey Presentation & Registration Day on April 9th at ETP. More information will be provided closer to the day. The uniforms are being made locally by Roger Attenborough at STX Lacrosse. The uniforms will not be coming cheap, and a pre-season raffle has been put together to help cover some of the cost, as well as support from new club sponsors the Kent Town Hotel. Players will be required to purchase new shorts to match the new uniforms.
