

[New Secretary: Jillian Fox]

I am Cameron Fox's Mum and have been keen to become involved with the club since Cam started playing a few seasons ago.

The position of Secretary became available for the 2006/2007 seasons so I Nominated myself!

As part of the club's committee it is our goal to encourage many new junior players to join our club and increase our overall membership.

I look forward to meeting you when we have our Open Day in March. If you have any issues or concerns you would like to discuss about the club please feel free to contact me at any time.

Regards, Jillian Fox.

[Preseason Training]

Preseason training is underway again, and the next session will be held at Morialta Falls, on Sunday 5th of February at 10am. All players and members are welcome, and juniors are encouraged to join in. Meet at the lower carpark, and don't forget to bring a water bottle.

A preseason camp is currently in planning, which will likely be held in the Adelaide Hills over the weekend of March 17th – 19th. More details on this will be posted to the clubs website soon.

All senior players unable to make training should contact coach Lynton Arscott. His details are below if you would like more information regarding training.

[Junior Update]

I hope the festive season hasn't worn out too many people as that time has come again when the Lacrosse season or at least the pre season begins to take off.

On the junior front this season we are going to be making a massive effort to increase our influx of junior players. As a club it is absolutely essential that we can recruit a minimum of 4 junior teams at the under 11's age, per year. To do this we will need to focus the majority of on presenting Lacrosse to primary school students between 7 and 13 years of age.

To back up our efforts in the schools program we will be running an after school competition during the first term of the school year in the months of March and April. At this stage the competition will run on Tuesday nights and hope to have a minimum of 5 schools involved. This is a new idea for the club and it will take many volunteers to see that it is successful for us. If you can spare any time during this period or through out the season please contact my self (Lee Vickery 0411 100 492).

Also on the junior front we will be introducing new joint senior/junior training sessions. These will begin from the very first training session this year to be held at the end of January and also include the pre season camp. These sessions will be a friendly fun way to get to know more people around the club and provide a great opportunity for junior players to increase their skills.

That is all from me for now. Please remember if you have any spare time please let me know as your assistance with the junior program would be greatly appreciated. I have a large range of jobs from umpiring to paper work organization.

See you all soon.
Yours in Lacrosse, Lee Vickery

[Masters Lacrosse at 2006 Festival of Lacrosse]

Have you checked out the 2006 Festival of Lacrosse website and Forum? www.2006worldlacrosse.com and then go to 'Festival of Lacrosse'. It provides lots of information about teams which have entered in the various divisions, including Masters and is certainly worth a look – whether you are planning on playing or not.

There has been a special request from Jim Mack urging guys from Australia to take up the challenge and get a team together to participate in the Men's Grand Masters (Over 45s) and Men's Centurion (Over 50s). Jim's email details are: jmaclax@aol.com

The Forum is a great way to seek information or guidance from the locals.
