

THE REDWINGS RAG

[Weeknight's @ ETP]

The clubrooms are open every Tuesday and Thursday nights, with the bar usually open from 7:30pm. Light Toasted snacks will be available at the bar on Tuesday nights, and meals are available from the kitchen on Thursday nights from only \$6. More info on Thursday nights 'dish of the week' will be posted around the clubrooms, and on the club website, so keep an eye out. If you would like to help out working behind the bar on training nights or gamedays, please speak to Chad Lindner. The Clubrooms are also available for bookings at very reasonable prices, especially for club members. Give Chad a call to organise your next big event.

[World Lacrosse Championships]

The World Lacrosse championships are just around the Corner starting on July 13th til the 23rd in London, Ontario Canada. Australia are again competing in the Blue division, the highest division with 5 other nations, including current champions USA, Canada, Japan, England and the Iroquois nationals. Japan will be competing in the Blue division for the first time after their solid performance at the last World Championships in Perth 2002.

South Australia have 3 players representing Australia in the 2006 team, including Wes Green (West Torrens currently playing in the US), Mark Mangan (Brighton) and Peter Inge (Woodville, currently playing in the US).

Check out the website and keep up with the action at:
www.2006worldlacrosse.com

Redwings vs Burnside under lights

Round 10 this year in the Men's League competition consists of all teams having a Wednesday night game at Port Adelaide Hockey Club on a water based Astroturf surface. ETP face Burnside in their night game on **June 14th at 8pm**. All ETP members should make it out to this game to support the guys, as its going to be an exciting game!!!!

[Position Vacant]

The Position of Women's Director is vacant as Tammy Johnston has left to accept a new job on Hamilton Island. This position is critical to the survival of our women's team. Expressions of interest should be sent to the committee at the email address below, or to club Secretary Jillian Fox.

ETPLC members receive 10% discount at Clown Around if
they present the Coupon that accompanies this newsletter.

[Cascade Helmets]

They have finally arrived. After shipping problems delayed the arrival of our new helmets well into the season, they have finally arrived and are available for sale by arrangement with Scott Gill. There are two styles available, one with a chrome face mask, and the other with a black face mask. We will be arranging club stickers soon to be added to the helmets, which will be available to all club members. The helmet pricings are as follows:

Cascade CPX w/Black facemask **\$250**
Cascade CPX w/Chrome facemask **\$260**

Please note that all current subs need to be payed up before you may purchase a new club helmet. The club is also offering trade-in's for players existing helmets.

[Russian Night]

I would like to thank all that attended the first Russian Night at the club. Fun was had by all and the Russian names were an interesting talking point.

I would like to thank Leona Grimes, Peter and Robyn Vickery for doing an outstanding job with the food and also Chad Lindner, Dave Platt and Alison Sharpe for doing a great job behind the bar.

We now have the Fantasy Fancy Dress Party upon us and I will be hoping to see more people attend this night.

Happy Hunting for your outfit.

Seniors

[Men's]

At the end of Round 1, ETP league are only sitting with one win under the belt. The season opener was against North Adelaide in an exciting battle until ETP took the game in the 4th quarter. Round two saw ETP face Brighton at Brighton, which was always going to be a tough game. The young Brighton team proved too skilful in the second half of the game, winning 11-3.

The next 3 games were all classed as winnable games, against Burnside, Sturt and West Torrens. Although the wings did not come out of any of these games with a win, there are many positives which we need to focus on and develop for round 2. The loss of Glenn Steele with a fractured leg left a big hole in the team, and we anticipate his return in round 2. The Redwings put in a very strong effort against Woodville at Findon, with scores even up until half way through the 3rd quarter. The loss of Lee Vickery to a calf injury late in the game changed the whole team dynamic, and the Redwings failed to score in the last quarter, Woodville getting up 12-7.

The last game of the round saw ETP play against Glenelg at West Beach, on Glenelg's 70th Anniversary. ETP were the first club that Glenelg ever played when they formed in 1934. This game was a great disappointment for the Redwings and the levels of effort did not at all reflect the games of the past, or what we expect of our league team. Hopefully we can get some wins back in Round 2, and begin our fight back for a spot in the finals!

Reserves are currently sitting 6th on the Ladder, and have had wins to Adelaide Uni, West Torrens and Woodville. The Our Reserves team has been struggling for a consistent player base so far this season; hopefully this will improve in round 2.

[Women's]

Our women's team has just played our first round against teams, UniSA, Glenelg, Brighton, Nth Adelaide & West Torrens. The results being...1 Win, 4 Losses.

We started the season with a tragic freak accident to one of our up & coming 1st year players with a broken wrist. Kat is still keen to continue playing and is counting down the weeks...

Games against Glenelg & Brighton showed potential for the future. We just need to stop hitting the goal keepers as apart from that the final scores would have been different.

Again, injuries such as torn tendons, hamstrings and ankles seem to be taking a toll on the team members.

A fantastic "team" effort saw us beat North Adelaide. The women realised what can be achieved with Tammy & Hayley (4), Petra (3) & Laura (1) the goalscorers.

The N.A. win was followed by a "frustrating" loss to W.T. Having trailed 6-3 down at half time, the team rallied to be in front with about 5-10 minutes of play. W.T. to their credit managed to level the scores & throw the deciding goal just before time, scores being 8-7.

This was Tammy Johnston's last game & she played a "blinder", being B.O.G. & throwing 5 goals. The "Team" wishes Tammy every success with her future ventures as she will be greatly missed.

John Hansford
Women's B Grade Coach

Juniors

Junior Family Meal Night

When: Tuesday 20th June 2006
Menu: Fish & Chips w/salad
 Schnitzel – Chicken or Veal w/chips & salad
Costs: \$4
Where: ETPLC Clubrooms

Hello to all the Redwings supporters and followers out there. This season has seen the club take a BIG step in the right direction with our junior members. We recruited strongly during the summer months and thanks to the massive efforts of many helpers we have managed to field three new teams this season. This is a massive turn around from 2005 which saw us enter only one junior team in the junior competition. Despite our success this year we can not stop here, our long term goal is obviously to be present in every junior grade. I believe as a club we can achieve this by 2011. It sounds like a long time but it is only FIVE years away!

Our juniors are currently five rounds into there season and all are competing strongly. Our Under 17's boys are a team filled with a lot of new and talented athletes with a lot of potential for Lacrosse and a great enthusiasm to learn the game. This is mirrored by their coach Baden Harrison, who is also reasonably new to the game but doing a fabulous job. Our Under 11's boys and girls are also doing really well under there very enthusiastic coaches David Platt, Matt Vickery and Laura Vickery who all look to be enjoying the role. If any one is interested and can spare the time to drop in and watch some of the action the Under 17's boys play at 10.40am and the under 11's are at 8.45am. There weekly program can be found at www.lacrossesa.com.au I AM SURE THEY WOULD APPRECIATE YOUR CHEERS!!! Also, keep your eyes open around the club for an upcoming junior meals night followed by a pizza night with games in the near future.

Lee Vickery
Junior director
 0411100492
juniors@redwingslax.com

[Under 17's]

2006 has seen a well balanced Under 17's team with a mix of new and experienced players from both ETP and Burnside. First year players Cameron Semmler, Aiden Neville, Joe Obrien for ETP and Pete McCourt from Burnside have certainly shown great improvement in the first 5 games of the season.

From the start of the season coaches and family members have noticed continual improvement in the playing group. Consistent performances from Cam Fox in face-off and down back with Jarryd Katzenberg and Matt (Beaver) Smith who have continually pulled together to form a tight defensive structure. Dave McCann seems to lock down a player every week. We also look forward to the first game of our goalie- Cameron Lilley. Our attack line is starting to function well together and shooting more goals every game. OJ Brown and Todd Sommer-Cain are starting to develop a potent partnership from which we are likely to see more goals.

Baden Harrison
Under 17 Boys Coach

Junior Reports

[Under 11 Girls]

It's been an interesting season so far. At this stage we sit 8th on the ladder with 2 wins and 3 losses. All is good. We played Glenelg on the 27th of May although losing by 5 goals. The girls were amazing as they matched Glenelg the whole game. Unfortunately we missed about 10 shots on goal s in the last quarter. Very impressive. We will be climbing the ladder! Burnside defeated us by 1 goal in the dying seconds of the game last week and the girls are keen to play them again. Laura Vickery and Karen Portelli provide a great coaching team and the girls enjoy themselves immensely. This being our key goal will ensure our success this year.

Now let's introduce the team:

Tayla Campbell, Loren Mildren, Clare Gaskell, Tess Baylen, Bethany Marks Mildren
Nicki Robinson, Samantha Marks Mildren, Hayley Waddington, Brianna Nelson.

This is the beginning of a new legacy at ETPLC

Tim Mildren

Under 11s No. 1 Fan

[Under 11 Boys - ETP Blue]

Round 1: The first U/11 Match of 2006 saw ETP Blue up against ETP Red. After a short delay, the game finally got underway. The game was well played by all, with Matt Besz, Matt Caporaso, Damon Wohling, and James Gaskell displaying excellent stick skills. Special mentions go to Brody Edwards and Josh Pizzino who both put in hard work on ground balls. The end result saw ETP Red 5- ETP Blue 2.

Round 2: ETP Blue came up against the very talented and experienced Brighton FA 18's. Both Josh Waddington and Brody Edwards volunteered to fill the very difficult position of goalkeeper and put in brave efforts. Once again the guys fought hard till the very end and played well together as a team. The final result saw the more experienced Brighton score 9 to a combined ETP Blue/Red team 0.

Round 3: ETP Blue came up against a very experienced and extremely talented West Torrens outfit. After getting off to a very good start, with Matt Caporaso scoring a goal in the first minutes of the game the team was outplayed by the more experienced West Torrens. A brave effort again by Josh Waddington and Sam Waddington who both stopped a lot of shots in goals by putting their bodies in the way of the ball which takes a lot of courage. Even though the shots hurt they continued to play on. The final score read West Torrens 17 to ETP Blue 1.

Round 4: ETP Blue this week came up against the under-maned North Adelaide side. After agreeing to play four-a-side the game got under way. The game saw the return of two players from last year in Jamie and Ashley Harrington whom added extra strength and run to our team. This game saw improved stickwork from all players, with excellent groundball work from Matt Besz, James Gaskell and Ashley Harrington. The final siren gave ETP Blue its first win of the season but definitely not their last.

All players are continuing to improve and with more work on their skills at training will improve even further. It is great to see the large number of supporters turning up each week cheering the efforts of all the players.

Matt Vickery

Under 11 Boys Blue Coach

0417822773

[Under 11 Boys - ETP Red]

The 2006 ETP boys Red under 11's are all first year players, except two or three. All of the boys have shown great interest in the game of Lacrosse. From never playing before all of the boys have improved in new areas every week.

Damon Wohling who has great defending skills and speed, Tyson Egglestone, Josh Waddington, and Josh Pizzino have shown themselves to be obvious attackers with there hard shots at goals. Then we have young Brodie Edwards, six years old, who is fearless and will go for the ball no matter how big the pack surrounding it.

Sam Waddington soon found out that being goalie means having the ball thrown at you and was keener to be on the field and has been doing a great job of it. Josh Pizzino is our only player on the Red team who played last year. His ground ball skills have been a huge help in the team's game play.

Last week we had a new player join the Reds, Jaeve, who has already shown that he will be a good asset to the team. Overall I am extremely happy with the boy's efforts and look forward to the rest of the season with them all.

Dave Platt

Under 11 Boys Coach

0421225526

[Senior Women's State Team]

I am pleased to advise that Mark Norton, current ALL and League Player (Sturt) has agreed to take on the coaching role for the Senior Women's team to compete in the Nationals in Perth 9th - 15th July. (probably only 4 - 5 days of that week). It is great to see someone new put their hand up - now we need all the players to do the same. Many of the players who have been playing in recent years are having a year off, so this is an opportunity for the new brigade!

There will be a meeting this Sunday June 12th, 11.30am at Sturt Lacrosse Club to set the ball rolling. All interested players please attend and pass this information on to all who may be interested.

In the short term contact the office if you have any queries. Other contact details will be supplied ASAP.

Helen Lewis
Executive Officer
Lacrosse SA

[2007 Australian Indoor Lacrosse Team]

Lacrosse Australia remains committed to the establishment of this version of the game in Australia, and to lift our international ranking to that similar to the outdoor field game.

Whilst in the past, the general perception of there being a lack of interest in the game by Lacrosse Australia, State Associations and clubs in general, there is however, a nucleus of enthusiastic people across the country and overseas prepared to promote and participate in this game.

A successful indoor competition was held in South Australia earlier this year, and it was unfortunate that the plans made to stage an Australian Indoor Championship in January of 2006 did not materialise. Lacrosse Australia will make plans to schedule this event as a regular feature on its yearly calendar.

Members of the lacrosse fraternity in Victoria, where the indoor game has generally been played on a regular basis, have begun an initiative to work alongside Lacrosse Australia in an effort to make up for some lost time in establishing a team management and coaching group structure, to recruit and select an official national team to represent Australia. An update of some of these initiatives plans and Lacrosse Australia decisions to date are as follows:

First practice session for interested players in Victoria booked for Friday 19th May at 8.00pm Contact Ric Benedierks in Victoria for further information.

Plans to replicate this initiative in SA, WA, NSW, and QLD over next month. Lacrosse Australia Directors will address Lacrosse SA Board on Monday 15th May to present latest information.

Appointment of Keith Chamberlain as the team Executive Director in the interim, to begin official planning and recruitment of Managers, Coaches and support staff.

Set up of Australian Indoor Team Website.

Set up of an on-line "player registration" format linked to the Lacrosse Australia and Indoor Team web sites.

Liaison with individuals in Canada to recruit and provide a support base for the team at the World Championships.

Lacrosse Australia President to open up discussions with ILF and Canadian personnel during ILF meetings at the 2006 World Outdoor Championships event in London, Ontario this July.

Contact and recruitment of Australian players resident in the USA to assist and register to play in the Australian Indoor Team.

Open invitation to register interest for positions of Managers, Head Coach, Assistant Coaches, Medical Staff, to the undersigned during April-May 2006. Verbal or written contact acceptable.

We trust the above provides lacrosse enthusiasts with the latest and updated information regarding this venture, and encourage anyone who has interest in being involved with this team, to contact the undersigned.

In the meantime, visit the 2007 World Indoor Lacrosse Championship web site at www.worldindoorlacrosse.com
